RE: AMENDMENT TO MAXIMUM FEES FOR REALTIME SERVICES (INFORMATION)

At its March 2011 session, the Judicial Conference amended the maximum fees for realtime services. The amended fees are based on the number of realtime connections (feeds) provided by a certified realtime court reporter as follows:

- One feed, the ordering party pays \$3.05 per page;
- Two to four feeds, each party receiving a feed pays \$2.10 per page; or
- Five or more feeds, each party receiving a feed pays \$1.50 per page.

Under the new maximum fees for realtime services, all parties to the case who receive a realtime feed pay the same amount for the services that are received. If a court reporter provides two or more feeds to the same party to the case, the reporter may charge for each feed provided based on the total number of feeds ordered.

Each court may adopt a schedule of transcript fee rates subject to the maximum rates established by the Judicial Conference. Realtime services ordered prior to the date of a court's adoption of the new rates should be billed at the rates in effect at the time the realtime order was placed with the official court reporter. Court reporter contracts may be adjusted in accordance with the terms and conditions of the contract agreement. A revised Schedule of Maximum Rates is available at: http://jnet.ao.dcn/District/Court_Reporting/Transcript_Fees.html.

If you have any questions concerning the amended maximum fees for realtime services, please contact Robin Cole in the District Court Administration Division at 202-502-3289.
